

Believers 4-H Club

Students age 8-18 can be members of our local 4-H club. We meet on a monthly basis at the Wyndmere Community Center and participate in many civic events throughout the year by volunteering, showing our projects, and learning new ideas.

Achievement Days are held each July at the Bagg Farm near Mooreton where static exhibits are displayed as well as live animal projects. Kids sign up for projects and work at home to complete them for the end of the year. Joining in the fall is the best time, since our "year" starts up again every September.

We'd love to have new members and families join us. Kids get experience in demonstrations, public speaking, consumer choices, fair events, social outings, camps and much more!

Contact Alison Dotzenrod, Club Leader, through Wyndmere Public School, for more information.

4-H is a **community** of **young people** across America who are learning **leadership, citizenship** and **life skills.**
