

GARBAGE PICKUP

Garbage pickup is scheduled to be picked up on Fridays. The monthly garbage fee entitles you to discard only your household garbage. Do not put your yard and garden waste, wood, rocks, metal, small appliances (microwaves, toaster, irons, etc.) or any other items that are not considered household garbage. The City has an inert landfill for wood, metal, large and small appliances.

Each year in the spring and fall (dates will be posted on the digital sign by City Hall and put on the utility bill) rollofs are obtained from Fraedrich Transport to put in other items such as mattresses, box springs, tables, chairs, couches, fixtures, etc. If you have any questions, please call 439-2412.

RECYCLING

Wyndmere has recycling bins located on the east side of City Hall. The items that you may recycle are: paper, plastic, cardboard, aluminum and tin cans. Labels do not have to be removed but must be rinsed out. (NO GLASS)
